MIL'S MUSINGS

By Richard Milbroc't

IT USED TO BE FUN TO GET your name in the paper and get a kind of thrill to see your name in print. But not if you are in the Lion's club. As a fund raising measure, the Lions have decreed that any member getting his name printed in the REVIEW will be subject to a one dollar fine. To help out the Lion treasury, REVIEW publisher Max Goodwin who was a special guest worked out a fine story on the club which sweetly included the name of every single Lion in the Lemon Grove den. This cost the men around $47. What they didn't discover until later was that Goodwin was reading it "off the cuff" and the story was never printed, and after the Lions had paid for his dinner yet.

SPEED LIMIT SIGNS ARE usually valuable, especially on Lemon Grove streets, but the two on San Miguel Ave. are practically worthless since their standards are so short that cars parked along side the street completely block the signs to oncoming traffic.

SLICK SIGNS SIGHTED: WE appreciate business firms of long standing bragging about their long history in one location, but after all . . . the sign that takes the cake says, "In San Diego since 1952."

WITH THIS COLUMN WE SAY Adieu to our readers. The writer has been fortunate enough to be accepted for graduate study at the University of California at Los Angeles. And indications are that Uncle Sam thinks it better for me to attend a different kind of a school very soon, possibly before completion of the graduate program. Either way, it will be impossible to complete any more chapters of this serial. (Are those shouts of joy?)

But, chin up! This column is not coyprighted, so dry those handkerchiefs and know that someone else will continue our efforts. (If that threat doesn't cost Max Goodwin some subscriptions, nothing will!)

Seriously, my one regret in leaving is that I will not be around to participate in the civic action currently in sway.

As many of you probably know, I have long been an advocate of incorporation. As one parting shot, it is hoped that the issue will come to a vote and that each of you will take the time to speak your sentiments at the ballot box where it counts the most.

Adios — Richard Milbrodt.

Ed's Note: We regretfully say "farewell" to Dick Milbrodt and hope for success in his new venture.

This column will continue from the pen of another fine writer, Chan Mason, starting next week. The obligue approach, with tongue in cheek, will continue to be the format. — M.G.

Part Of North Avenue To Be Resurfaced

North Avenue, between Imperial and Grove, will be resurfaced and paid for by property owners along the street, it was learned today.

Norman Lightheart, local property owner and business leader, has petitioned some twenty five owners of property to share in the cost of resurfacing the street.

About 80 per cent have signed and paid, according to Lightheart. The remainder have indicated that they will share in the cost subsequently.

Funds subscribed will be used to pay the county for leveling and oiling the street, he said.

Local Attorney Forms New Firm

A new law firm has been opened in San Diego by two brothers, one of them a Lemon Grove resident. Vroman J. Dorman, of Lemon Grove, has opened offices in the Land Title Building with Wallace D. Dorman .The firm will follow a general law practice.

Dorman was formerly a partner in one of the oldest law firms in San Diego, Wright, Thomas, Dorman and Fox. That firm dissolved when the Southern Title Building in which they had offices was sold earlier this year to the Union Tribune. That firm was founded about 1900.

Dorman is a member of the local Lions, former president of the Lemon Grove Chamber of Commerce and former chairman of the Lemon Grove School Board.

He and his wife, Ruth Jean, reside at 6781 Hibiscus Dr.

Play To Produce $2500 For Palsy

The Lemon Grove written and produced operetta Serafina," which will benefit the San Diego Cerebral Foundation to the tune of about $2,500 is beginning to take shape.

Sparked by the local Kiwanis Club, the show, based on history of San Diego in the year 1829, will probably fill the Grossmont High School auditorium to capacity during the two day run, October 5 and 6.

The book was written by Jerome Gerard right, associated with the L G Review, who had important parts in three Broadway dramas several years ago. Twenty four of the plays, thirty musical numbers, are being written by Renan Prevost, a local packing house operator.

In the above photo are seated Max Goodwin, publisher of the REVIEW, originator and developer of the project; Byron Netzley, superintendent of schools and president of the local Kiwanis. Standing, Channing Mason, local civic leader and immediate past president of the Kiwanis and Jerome, the playwright.

Other Kiwanis Clubs in the Foothills area have co-endorsed the project.

All moneys taken in will go directly to the local Cerebral Palsy Foundation for specific use on palsied children.

Lemon Grove sports' lovers will be in for more surprises than a Zulu at a style Parisian show, when the vaunted Kiwanis team meets the intrepid Lions team in a game of baseball, do or die, this Sunday at 3:00 p. m. at the Junior High School's baseball diamond.

The surprise element is to be supplied by the Business Women's League, who together with their auxiliary have planned to have an all girl band headed by "Ima Hurtin" and some other features.

It is the second annual event between the two service clubs and the game was won handily last year by the Lions who since have been accused of ringing in professional talent.

The Kiwanis with an all preacher infield and an all teacher outfield expect to make a far better showing this game than last.

The Business Women's League have taken over most of the entertainment arrangements and have a full program lined up which will lend to the otherwise questionable enjoyment of the contest.

Service clubs' presidents, Dorothy Louer, Baron Netzley and Doctor Don Johnson, said that a spaghetti dinner will be available immediately after the game.

The junior high school play field is between School Lane and Kempf, just south of Golden.

There will be no charge for admission to the baseball game and everyone, whether they are affiliated with any of the Grove service clubs or not, is invited.

Lindley's Go Owl Rexall Next Week

Lindley's Pharmacy will go under the banner of Owl Rexall by Tuesday.

"Nothing will be changed except the quantity of merchandise and better prices," Bob and Gayle Lindley said. "A wider range of merchandise will be available at lower prices because of the large central buying organization," Bob Lindley said.

"We will give the same personal service as we always have," Gayle said.

An opening event will be announced next week.

B.W.L. To Aid Service Club Athletes

The B.W.L. held a dinner-meeting Thursday night in the Streamliner on El Cajon Blvd.

Arrangements were made to help make the Lions vs. Kiwanis ball game a lively affair and a trophy has been selected for the winning team.

At a Saturday night beach party, the newly formed B.W.L. Auxiliary will receive formal recognition.

Plans for beautification along the rail road tracks have been held in obeyance pending a final approval of the rail road commissioner, who consulted with the ladies Wednesday morning.

Credit was given to the chairman of the local L. G. Bloodmobile Unit.

Lumberman's Breakfast At Presbyterian Church

An old fashioned breakfast that could truthfully be called a lumberman's special will be the menu at the Trinity Presbyterian Church Boy Scout Breakfast, Saturday, August 29, starting at 7:30.

Troop 171, which is sponsoring the breakfast, will serve.

Here is the menu for the day: fruit juice, hot cakes with butter and syrup, choice of bacon or sausage, and steaming hot coffee.

Everyone is invited to share in the breakfast. A donation of 35c will be accepted.

Practice For Ritualistic Work Set By Rebekahs

Mesa Jewell Rebekah Lodge No. 409 will meet Wednesday for their regular meeting at 8263 La Mesa Blvd., 7:30 p. m. the Noble Grand Mrs. Pennelle Adams presiding assisted by the Vice Grand Mrs. Verdah Lyng. Refreshment chairman is Mrs. Eunice Richardson assisted by Emma Tomilson and Ima Masters.

After close of Lodge practice will be held for the School of Instruction, when the President of the Rebekah Assembly will exemplify a part of the ritualistic work of the order under the leadership of the District Deputy President Mrs. Dorothy Greer. Luncheon at noon and dinner at 6 will be under the direction of the District Deputy President or Rita Carter. Make reservation with either one of these chairmen.

Planning Meet Set For Wednesday

First in a series of planning meetings designed to provide the master plan for future development of the area in and adjacent to Lemon Grove will be held Wednesday at 7:30 in the Justice Court.

Attorney Luther Hussey, named chairman of the group by the local Chamber of Commerce, asked that all clubs and organizations supply a representative to serve on the committee.

The work of the committee will be extended over a period of one to two years.

"Organizations which have not yet appointed a representative should do so at once, since this program is vital to the future of our community," Hussey said. "No local organization can afford not to be represented."

Every civic club including churches, schools, youth, and service clubs is urged to take part in the program.

Dr. Willis Miller, county planning director, will explain the scope of committee planning at the initial meeting.

The Board of Supervisors, which authorized the Planning Commission to work with the program, emphasized that the Commission could only perform in ratio to the interest shown by the community.

"This project has absolutely nothing to do with incorporation, annexation or status quo," Hussey pointed out. "We will stay completely away from these considerations."

The meeting will be open to the public but is designed primarily to get a program before the commitee of presiding officers of all civic organizations and designated committee members.

S. V. Sewer Meet Sept. 1

A public hearing of the $1,717,000 Spring Valley Sanitation District improvement has been set for September 1 at 2:30, by the County Board of Supervisors.

Expansion of plans from 21 to 37 miles of sewers resulted in an increased estimate from $1,000,000 by W. A. Barney, chief engineer for the County Public Works Department.

Job's Daughters To Hold Dance

A Spanish dinner, sponsored by the Lemon Grove Job's Daughters, will be held next Thursday in the V.F.W. Hall in Lemon Grove. Dinner will be served from 5:30 p. m. to 7:30 p. m., charge to be $1.00 per plate.

Come out and enjoy a good meal and back Lemon Grove's new organization.

For reservations call Donna Easley, H6-2617; Carol Lewis, H6-6540 or Barbara Troxel, H6-0266.

Bus Service Set For Lomita Village

Bus service was extended to Lomita Village this week, the San Diego Transit System announced yesterday.

The extension will take place in Zone 4, requiring a 25-cent fare from Lomita Village to downtown San Diego. The "run" is in the city of San Diego, which approved the operation.

Forty round trips on weekdays; 46 trips Saturday and 33 trips Sundays and holidays are scheduled.

Kiwanis Hi-Jinx Highlight Picnic

"Lots of fun!" "plenty to eat!" "good fellowship!" "a snappy workout in preparation for the coming Kiwanis - Lion baseball game!" These and other comments summed up the second annual Kiwanis family picnic held at Green Valley Falls State Park last Sunday. Sixty-one in all, Kiwanians, wives and offspring, had a wonderful time eating picnic lunches, playing baseball, swimming, and hiking.

Tom Warburton, John Landesco, and Byron Netzley, with their families, acted as the advance guard. They started their trek to the Cuyamacas Friday, camping out overnight and "holding down a spot" for the picnic.

Other Kiwanians in attendance with their families were John Dail, Harold Hensley, Charles MacDonald, Chan Mason, Jerry Walters, Fred Wright, and Dr. Frank Gigliotti. The Dewey Carmodys brought the Bud Lankin family as their guests and the Jack Durhams included Clarence Blakeney and Mary Lou Durham in their party.

Judge Luther and Mary Hussey arrived late offering as an explanation that they had visited many points of interest enroute, namely each service station located within one mile of Highway 80. (Luther drives a new Buick with a Dynaflow transmission.)

Postpone Wetting Of Dry Land

The La Mesa-Lemon Grove-Spring Valley Irrigation District board postponed a decision on inclusion of 3,200 acres until next Tuesday because of a division of opinion regarding inclusion fees by certain large parcel owners.

A $454 per acre inclusion cost was the dividing point.

About 15 of more than 300 owners protested the cost.

These 15 own about 2,000 of the 3,200 dry acres.

County Federation Meets Tuesday

The San Diego County Development Federation will be guests of the Pacific Beach Town Council, August 18, at the Recreation Hall on Santa Clara Point in the Mission Bay.

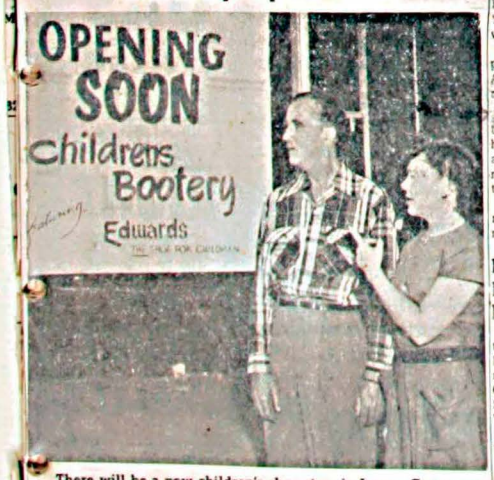
Newly elected president John Abbott said that city councilman Charles Wincote will represent Mayor John Butler as an official participant in the program.

A panel of specialists and officials to discuss the progress of Mision Bay will be the feature of the evening.

Glen Rick, city planning director, will how pictures of main recreational parks in the nation. Leo Calland, city parks director, will join with city councilman Clair Burgener in presenting plans of future use of the parks, and Billie Evans will talk about his recently completed Bahia Hotel which will be one of the finest of its kind in California.

Locally, Ted Haaf is the Lemon Grove representative of the Federation.

New Shop Opens Soon



There will be a new children's shoe store in Lemon Grove soon.

Jayne and Bob Pulliam, with thirty years experience in the shoe fitting business, plan to open a exclusive children's bootery in the Sprouse Reitz Building as soon as merchandise can be stacked on the shelves.

The store will feature Edwards shoes for children, one of the oldest manufactures of children's shoes.

"Edwards has been making children's shoes since 1900. And many a customer with a grandchild in tow recalls wearing Edwards Shoes when they were kids," Bob Pulliam said.

Jayne Pulliam said, "We have a motto we want to feature and think it tells our story pretty well. The motto is: "Put your child's feet in our hands."

The firm will handle both standard and prescription fitting for children. A record of fittings on every child is kept. X-rays and fluoroscope fittings are not used, they said.

"Many people try to buy children's shoes for 'cuteness' but this does not always work out right for the child. A child's shoes should be fitted so that it will neither retard the growth nor misshape the foot of the wearer. We often get into lengthy discussions with the parents and at one time we felt that we should change our motto to 'The customer is never right' " laughed Bob.

The Pulliams have earned a reputation of refusing to sell improperly fitted shoes to any youngster, they said. The exact location is 7885 Broadway.

The Heartland Players of Lemon Grove will present "Caught In The Villain's Web" on August 28th and 29th and September 4th and 5th at the Lemon Grove Women's Club. It will be presented in the old melodrama tradition with olio acts, tables with checkered cloths, soft drinks for sale. The play itself will get a new style treatment by setting up the time to the early twenties. The leading roles will be played by Janet Hentigan, Center, Bob Turnbull, right, and Bill Thornton, left.

by Max Goodwin

The polygamist colony of Short Creek, Arizona, which law officers descended on in a spectacular raid last week, wasn't a particularly prosperous or happy place, from all accounts.

Planned along communistic lines, the group government owned all the land, and collected all the proceeds from farms and businesses. Group leaders met weekly to plan hour-by-hour work schedules for each member, and supplies were rationed from a communal store.

Such arrangements produced little in the way of material comforts for the colonists. And there was much dissatisfaction, both on the part of girls forced into early and loveless marriages, and young men elbowed out of the running by their elders in the plural marriage sweepstakes.

Production was enormously successful in one respect, however. Population had multiplied so fast since the colony's inception in the mid-30's that Arizona's Governor Pyle announced: "It would have taken an army to eliminate them if we had waited a few more years." It was now or never.

Little boys who tell lies grow up into big men who tell their little sons they will grow big and strong by eating spinach, says Steve Westover, local lumber tycoon.

Mrs. Melloway Fascinated By Davis Packaged Meats

"I like Davis Market packaged meats" said Mrs. Orville Melloway, 8826 Ildica Street, Spring Valley. Mrs. Melloway is Scout Den Mother of Pack 47 and has an eight year old boy.

"Prices are more attractive here than the other markets that I used to shop at," she stated. "I started buying here when Davis Market first opened and don't intend to chage. I am fascinated by the packaged meat department. Everything is neatly prepared and very well displayed. It gives me a chance to choose the meat for my family without having the butcher show me five or six different cuts."

Mr. Melloway is a mechanic at Convair. Davis Food Center is located on Broadway at Olive and is opened daily. A new enlarged parking lot has just been opened.

This Week's Summer Meal

By Marie Herder
7052 Central, HG-3574

Our menu is chosen for a hot Lemon Grove day, and is simple. A good meal for company.

Swiss Steak
Browned Potatoes and Gravy.
String Beans.
Green Salad
Hot Rolls and Butter
Raspberry Parfait.

This will be an easy meal to serve, as much of it can be prepared in advance, and the dishing-up will not have to be timed to the minute. A little extra time on the stove will not hurt it.

Allow one and one half hours cooking time for the swiss steak. Sprinkle flour generously on your bread-board, lay the steak on the flour, then flour it generously, on top. Pound it thoroughly on both sides, working in as much flour as possible.

Now put the steak in a hot well greased skillet and brown on each side. Add salt and a sliced onion, and a little water. Many folks like a little mustard or garlic. Cover meat tightly, and simmer for 1½ hours. Or bake in a low oven (300 degrees) for 2½ hours. Add one medium-sized potato for each serving, almost an hour before dinner. Place the meat on top of the potatoes, and they will be brown and full of good steak juices. Due to pounding in lots of flour, the gravy will be ready when the steak is done. Peek in occasionally to see that enough water is in the pan to prevent scorching.

Use either frozen green beans, or fresh, and add a little crumpled bacon if some is left over from breakfast. Cook them as long as you like.

For the green salad, clean and break a head of romaine into bite sized chunks; add green onions, a cup chopped celery, one pimento, one cucumber, two or three tomatoes cut in wedge-shapes.

The parfait may be made the day before. Pour only one cup hot water over lemon jello, and stir. Use frozen raspberries, and slice the frozen fruit with a sharp knife. Add to the hot jello mixture and stir until fruit is defrosted. Then stir in slowly, one pint of vanilla ice cream. The dessert wil be setting up before it is thoroughly mixed. Place it in molds or a pie shell and refrigerate until dinner-time.

Lutheran Vacation Bible School Program Friday

As a conclusion to two weeks of Vacation Bible School at Lemon Grove Lutheran, a program will be given Friday at 7:30 p.m.

Hundred and thirty children were enrolled in this year's school, taught by 12 teachers and helpers. The teachers and helpers were: Mrs. R. Paul, Mrs. L. Selvig, Mrs. S. Mauseth, Mrs J. Kaiser, Rev. W. L. Elter, Mrs. J. Bagley, Mrs. D. Waterman, Miss Dee Ann Duea, Miss Charlotte Waterman, Mrs. H. Mack, Mrs. D. Ellis, Mrs. R. Wentzel.

You think you have a clear conscience? Maybe you just have a poor memory, says Rev. Morris Mulkey.

Mock – Giesey Vows Exchanged

The wedding of Marie Gigliotti Mock and Lieutenant (j.g.) Peter McCann Giesey of Edgerwood, Pennsylvania was solemnized at Naval Air Station Chapel, August 2. The bride is the daughter of Dr. and Mrs. Frank B. Gigliotti, 3777 Gigliotti Drive, Lemon Grove.

The bride wore a steel blue dress of Italian antqiue silk with an antique gold beaded cloche hat and green orchids.

Agide P. Gigliotti, brother of the bride, was best man. Mrs. Kenneth G. Brown was matron of honor. The couple is honeymooning in Mexico.

Art Association To Have Float In LM Parade

The La Mesa Foothills Art Association will have its usual art exhibit in the patio at the Flower Show. They are also going to have a float depicting the desert flowers and art activities.

Mrs. Elizabeth Crowningshield, known for her water color flowers and fruits, will have an exhibit in Room 5.

$6000 Event To Attract Dog Race Fans

Lemon Grove dog racing enthusiasts may see the first in a series of elimination races to determine Sapling Derby qualifiers touches off the second half of the 1953 season at the Caliente Greyhound Club this week.

The $6000 fixture, one of the top events of the year, is scheduled for Saturday, Aug. 29 when the nine finalists from the original field of 70 nominees will travel over the five sixteenths of a mile course.

According to General Manager Nathan T. Howell, elimination tests will be held Wednesday, Thursday, Friday and Saturday of this week and on the same nights next week. The two semi-final races will be run Aug. 26, with five dogs qualifying from one field and four from the other for the Derby finals.

Dr. Thayer Crowe believes that if you are born a gentleman, it's an accident. If you die one, it's an achievement.

"It's a shame," murmured Tony Sonka, one of the town's biggest taxpayers, as he studied the national debt, "that future generations can't be here to see what marvelous things we are doing with their money.

is a Penny Earned

With every purchase at CRESSY'S you get S&H Green Stamps. Now add this to the one and one-half percent city sales tax you save when you buy in Lemon Grove and the savings will become important. Add to this your parking meter and gasoline cost driving to other communities and you soon have enough money saved to buy something you need.

While yardage is one of our features, and important savings can be made when homemakers choose this method of dressing their family, we point with pardonable pride to our large selection of men's, women's, and children's ready to wear. Each cost you less than you would expect to pay for nationally known brands.

We invite you to come in and visit. We know you will like both our merchandise and our prices. You'll like our friendly personnel, too.

WILSON'S PAINT JOB OF THE MONTH

Eighteen years between paint jobs will change the complexion of any house, reported master painter, Don Wilson, from his shop headquarters at 7840 Broadway.

Above, the home of Ruth Bell, 7590 Pacific Ave. in Lemon Grove has had nothing on it except stain since long before the war.

"It is a good demonstration as to what can be done by a good painter with good paints," Wilson said. "Good painting is not expensive, either," he added.

Wilson is a specialist on exterior and interior decorating and will be glad to give a free estimate. No money down and convenient terms on your painting job will be given whether the home is paid for or not. He can be reached at the Lemon Grove Wallpaper and Paint Store, H6-8237. —Adv.

Chamber Of Commerce Notes

By Zelda Vernier

The Chamber of Commerce met in its regular meeting room on Aug. 4, at 7:30 p. m. The directors present were: Robert Gauldin, president, Max Goodwin, Forrest Baxter, J. B. Pearce, Dr. Johnson, Zelda Vernier, John Dail and Robert Browne. Absent were Clarence Milbrodt, Wayne Johnson, Jack Koop and Roy Lane.

Lemonade Day Committee, consisting of Roy Lane and Robert Browne, reported the day a great success. It was moved by Forrest Baxter that the Lemonade program be continued on a weekly basis with a revolving commitee. It was so authorized.

The Chamber is making an effort to get a large freeway route map from the State Highway Department. This map will be on display in the business area.

Judge Hussey is chairman of the Lemon Grove Master Planning Commitee, composed of a representative from each local organization. Hussey said he is working with the County Planning Commission and the Board of Supervisors and a date will be set to work on a master plan for Lemon Grove as soon as county planning engineers can be released from present assignments.

Efforts of the Chamber to acquire use of the entire Youth Center Building for the local Youth Group were unsuccessful. The Federal government will keep the use of one room for an indefinite period.

S. D. Handicap At Del Mar Saturday

Handicap stars and 2-year-old fillies will share the spotlight in twin attractions on Saturday's nine-race program at the Del Mar Turf Club, with class-packed fields indicated for both specials.

Topping the list of 16 nominees for the $10,000 San Diego Handicap at a mile and one-sixteenth is the Alberta Ranches' Hollywood Gold Cup winner, Royal Serenade, but he will have to contend with most of the top race horses in California.

Horse sense is displayed by not betting on them says Dr. T. W. Lillie, Lemon Grove's newest dentist.

NOTED SPEAKER TO PREACH

Doctor Wilson will preach Sunday at the Trinity Presbyterian Church.

Doctor Wilson is the Professor of Missions at Princeton Theological Seminary and the Director of the Field Work Department. He was formerly a missionary in the Near East and will give a message concerning the World Church.

The Womens' Association is planning a pot luck supper for women of the church and their families, Tuesday at 6:30 in the social hall of the church. Reverend Chandler will give the devotional and nursery care will be provided. Contact Betty Schroeder at H6-5512 to advise her if you will cooperate.

Soil Conservation Group To Picnic

Fun for all, Sunday, Aug. 16th, at Sam Moore's Ranch. The Soil Conservation Service in our district is sponsoring a real old fashioned Bar-B-Q, and we, the members of the Mt. Empire F.F.A., hope to see you there enjoying the games, swimming, boating, fishing and fun all included in the price of your ticket. The profit from this wonderful picnic is going for the prizes for the Annual Public Speaking contest held each year for boys in the F.F.A. on soil conservation.

Bill Self In Officers Training

LITTLE CREEK, Va. (FHTNC) —William R. Self, from the University of California at Los Angeles, son of Mrs. A. E. Bellamy is among the more than 750 Midshipmen of the second group of Naval Reserve Officers Training Corps to receive amphibious warfare training at the U. S. Naval Amphibious Base here in July.

"Highland Lads And Lassies"

Bob Turnbull

Beach parties are still in the No. 1 spot, heading the list of the most popular of parties via summer time. Dick Slobig threw a hot-one last Saturday nite, at the Strand. Many a Highland Lad and Lassie were seen munching on hot-dogs, guzzling cokes, eating sandy fritos and dancing, probably to Bill Hill and Don Howard. Amongst the gay but wet group one could see — Claudia West 'n Dick; Pat VanDervoort 'n Jerry Tucker; Bobby Boyens 'n Larry Shaw; JoAnne Wilson 'n Eddie Boyle; Sally Oesher 'n date; Pat Adams 'n Jerry Skeie; Patti Culver 'n Wayne McDaniels; Diane Gilmore 'n Jim Duschell; Diane Gilmore (this gal really gets around) 'n Bob Boney; Joni Wilson 'n Bruce Bender; Sandy Hessen 'n date; Ron Rote, Art Lasdle, Jim Sinegal, Jim Ethridge, Ed Perkins, Roger Swanson, and many, many more too hideous, err, too numerous to mention.

A couple local Helix guys were honored, Freddie Stemen and Jim Ethridge by name, when Leilani Rose and Connie Mastorakas threw a birthday party for them a few days ago. Among the fun-seeking gang were Fred and Jim, and Leilani and Connie, and Jerry Skeie, Fred Harlow, Ralph Jaffe, Don Rote, Wayne McDaniels, Wimpy Rust, Don Leggitt Jody Crane, Jean Smith, Kari Jordan, Cedric Jordan, Dick Conde, Julius Tuite, Eddie Fix, Jim Applegate, Jerry Tucker, Bruce Bender, Warren Herman, Bill Kemper, Buddy Davis, Dale Paquin, Glenn Crosbie, Bill Beasley, Jim Sinegal, Russell Kennedy, Bob Hutchins, Diane Caselton, Diane Curtis, Elsa Haubensak, Sally and Patti Culver, Maria Vidal, Lois Desserick, Bobby Sable, Merion Moulton, Lorraine Sawyer, Pat Roberts, Joni Wilson, Pat VanDervoot, Gretchen Bornemann, Sandy Marka, Pat Adams and Shorty Carroll.

Instead of wasting words on the occasion, here's the list of the usual gang at the weekly Wednesday nite brawl at the L.M.Y.C. Eddie and Ronnie Fix, Sandi Hessen, Eddy Boyle, Jim Duschell, Pat Vandervoort, Butch Fleming, Gale Smith, Sharon Wade, Jim Ethridge, Jim Sinegal, Freddie Stemen, Wayne McDaniels, Jerry Skeie, Don Rote, Maria Vidal, Dale Gall, Phyllis Ehlers, Carol Donohue, Ron Williams, Diane Ely, Ralph Jaffe, Glenn Crosbie, Bob and Bill Beasley, Bobbie Sable, Merion Multon, Leilani Rose, Elsa Haubensak, Connie Mastorakas, Margo Wilson, Kay Perish, Dale Paquin, Jerry and Dick Tucker, Don LeCompte, Jerry Dawson, Mary Ganger, Jane Hatfield, Ivajean Curtis, Elaine Sierrvogel, Diane Gilmore, Bill Wilson, ean Ackert, Wimpy Rust, Don Leggitt, Jim Parsons, Anita Srice, Jim Hinck, Ernie Merk, Tom Kelly, Jim Applegate, June Edwards, Darrell Stalneker, Luralea Hutrhings, Buddy Davis, Pat Adams, Bob Hutchins, Nancy Garrier, Dick Gardner, Diane Gundy, Marlene Apple, Kathy Williams, Naomi Goyne, Carol Young, Tom Gletzen, Carol Covert, Bob Slack, Ray West, Tressie Severs, Don Warfield, Don VanSickle, Jimmy Lee, Sandra Sebby, and Chuck Ackert.

According to Bob Gauldin, C of C President, Cordell Hull said "War is not an act of God, but a crime of man."

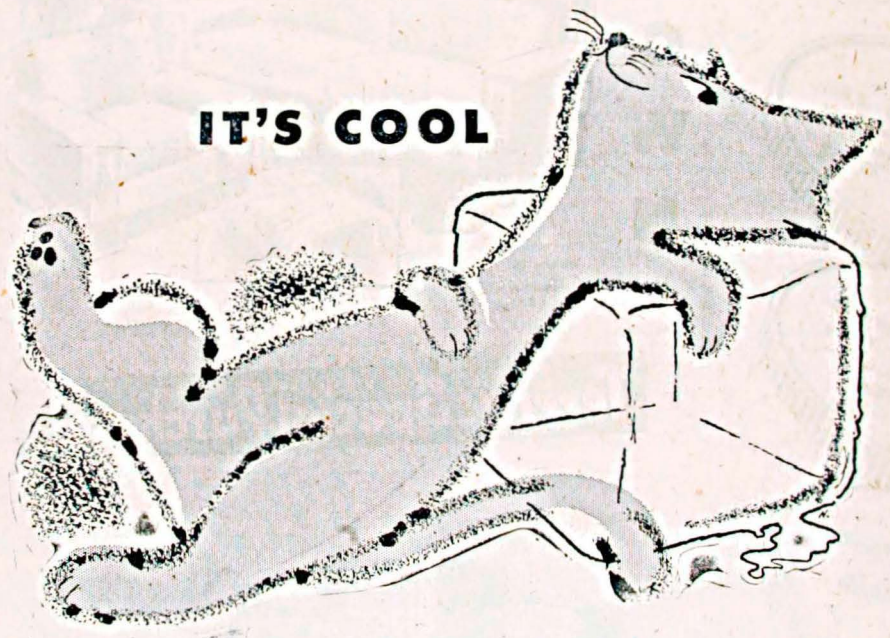
IT'S COOL



JUST ONE OF 9 REASONS TO CHANGE TO A NEW *ELECTRIC* RANGE

Here's the co-o-o-o-l way to a co-o-o-o-l kitchen and co-o-o-o-l cooking – change to a new electric range – the range that concentrates heat where you want it – not all over your kitchen.

And the millions who own an electric range will tell you that coolness is just one of 9 great virtues of electricity for cooking. Here are eight more: 1. It's clean. 2. Modern. 3. Dependable. 4. Fast. 5. It's thrifty. 6. It makes you a better cook. 7. It gives you more healthful meals because you cook with practically no water and, 8, you do it automatically.

Now's the time for you to make the change to an electric range – for cooking that's better 9 ways. See your dealer and test the different makes and models – and learn the easy terms!

Reddy Kilowatt, Your Electrical Servant, says, "An electric water heater gives you clean, quick, safe, trouble-free service – and plenty of hot water – always.
